

**GROWTH IS
ALWAYS YOUR
CHOICE!**

Spiritual Education & Enrichment (S.E.E.) gives you a great choice—you can either take classes just for your own education and growth, or you can be part of the bigger S.E.E. process and pursue a certificate in Personal Development.

From there, you can look into many other leadership directions within Unity—Licensed Unity Teacher, Certified Spiritual Educator, even the Ministerial Program. It all starts today, and it all starts with you!
